Established in 1993, Hideaway Beds pride ourselves on supplying innovative space saving furniture and delivering excellent customer service, which is why we have built the reputation as the UK's premier wall bed specialist.

Hideaway Beds work with many furniture manufactures, joiners, architects, interior design practices and retail customers all over the UK and abroad to supply space saving furniture and wall bed mechanisms for both domestic and commercial application. We operate from a distribution centre in Devon where many products are available for next day dispatch from stock.

We offer exceptional, cost effective solutions for every-night use, in every possible room.
